ORDER:-

The TS GENCO, TS TRANSCO & SCCL Independent Power producers are sending proposals to Government for issuing Essentiality Certificates for import of several goods required for their Power Generation Plants and also to recommend the same to the Customs Department situated in various places of the Country, for obtaining concession on customs duty applicable for power projects against Customs Notification 21/2002 under Project Import Chapter 98.01.

2. Accordingly , as per procedure in practice, the proposals are being considered and Essentiality Certificates are being issued to the Customs Authorities concerned with due attestation by the sponsoring authority of Energy Department to facilitate project developers in availing customs concession duty on the goods required to be imported to the Power Projects, in terms of the notification.

3. Numbers of power plants are coming up in the State and good numbers of proposals from developers are expected. With a view to expeditiously and properly process such applications, Government have decided to constitute a Committee to scrutinize the proposals received from the TS GENCO, TS TRANSCO,SCCL and Independent Power Producers for issuing the Essentiality Certificates for availing concession of Customs duty on the import of goods required to their power plants.

4. Accordingly, a Committee is constituted with the following officers:

- 1) Director (Thermal) TS GENCO
- 2) Chief Engineer (IPC) TS TRANSCO
- 3) Assistant Secretary/Deputy Secretary/ Addl.Secretary/ Energy Department as Convener.

5. The above Committee shall scrutinize the proposals regarding need of the material proposed to import for the power plants, quantity of the material and other important technical aspects etc.

6. The Convener of the Committee shall conduct meetings timely and submit the recommendations of the Committee to the Principal Secretary to Government Energy Department for taking further action in the matter.
